

REMARKS

Claims 12-21 and 25-30 remain in the application for consideration of the Examiner with Claims 1-11, 22, 23, and 31-38 standing cancelled.

Reconsideration and withdrawal of the outstanding rejections are respectfully requested in light of the above amendments and following remarks.

Turning now to the art rejections, Claims 1-11 and 22 were rejected under 35 U.S.C. § 102(b) as being anticipated by Farnworth; and Claim 23 was rejected under 35 U.S.C. § 103 as being unpatentable over Farnworth in view of Hsu.

The cancellation of Claims 1-11, 22, 23, and 31-38 obviates the rejection of these claims.

Applicants appreciate the indication that Claims 12-21 and 25-30 are allowed.

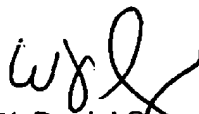

In light of the above, it is respectfully submitted that the present application is in condition for allowance, and notice to that effect is respectfully requested.

While it is believed that the instant response places the application in condition for allowance, should the Examiner have any further comments or suggestions, it is respectfully requested that the Examiner contact the undersigned in order to expeditiously resolve any outstanding issues.

To the extent necessary, Applicant petitions for an Extension of Time under 37 CFR 1.136. Please charge any fees in connection with the filing of this paper, including

extension of time fees, to the deposit account of Texas Instruments Incorporated,
Account No. 20-0668.

Respectfully submitted,

W. Daniel Swayze, Jr.
Attorney for Applicant
Reg. No. 34,478
